Term 4 Week 8

COLOURSS SOCIAL A NIGHT OF THE FUTURE

COLOURSS schools came together for the term 4 social at Wiangaree Hall with the theme of "Into The Future". It was a great night of fun and dance for everyone. The Year 6 students from our schools were given a fond farewell as they venture into their own future of secondary school.

A big thanks to parents and students who supported the night and to Wiangaree P&C for a delicious supper! Also thanks to Mr Hausen for his efficiency on the music side!

ENROLMENT DETAILS UPDATE

It's that time again. In order to keep your child/children's emergency and student record details up to date we will be sending home ghosted enrolment forms for your perusal for you to update any details if needed. We also require to sight and copy your child/children's Immunisation Records/history. Proof of this is mandatory and will also make transitioning to the new system easier. Your child/children's immunisation record/history can be sourced using the below details if you do not have a copy.

When you receive your ghosted enrolment form it will clearly be marked if proof is required on page 14. If no proof is stored in your child/children's record cards they will be entered as "Not up to Date". Thank you for your assistance

Australian Childhood Immunisation Register

Keep track of your child's immunisation history on the [Australian Childhood Immunisation Register](#)^[1]. The immunisation register is a national register that records vaccinations given to children under 7 years old. Your child's history on the immunisation register can help you when you need proof of immunisation. For example: you can get an immunisation history statement to use as proof of immunisation for school enrolment. We'll send you a statement when your child turns 18 months old and 5 years old, or you can get one anytime using your [Medicare online account](#)^[9] through myGov or the [Express Plus Medicare app](#)^[10]
