DEPT COMPLAINTS POLICY

The Dept has a clear policy and procedure to follow when people are concerned about the way things happen at a school. The best way to find out about a concern you have is to have an interview with the principal. Hopefully most concerns can be resolved with a simple chat and, if needed, an adjustment to the way things happen or a clear explanation can be provided.

If the concern is not resolved in this fashion, more formal strategies can be implemented. This is explained fully at the following online address—

NEWSLETTER SURVEY RESULTS

Thank you to the 11 families who returned the survey. 4 families prefer 4 pages, 6 families prefer 2 pages and 1 family didn't mind either way. Everyone was happy with the amount of student photos with 3 families wanting more photos.

We will trial the 2 page format for term 1 and see how it goes! Thanks for the positive feedback.

Term 1 Week 3

Term 3 EXCURSION PLANS

We have started planning an excursion to Queensland for students at the end of term 3 this year. It will be a 1 day excursion to Brisbane for Infants but the Primary class will continue on for a 5 day excursion to other parts of south-east Queensland! The itinerary is being negotiated at the moment and costs are being decided. For primary students, the cost will be two or three hundred dollars, so families should start budgeting now to cope with the payments. The P&C will also support the cost. More news next week!
