VOLUNTEERING YOUR HELP IN SCHOOL

Our school benefits from parent helpers in classrooms and other activities throughout the year. To make sure we follow DEC policy, each volunteer must complete a declaration form. If you haven't filled one out previously, we will ask you to complete one next time you volunteer.

TRANSPORTING STUDENTS IN PRIVATE VEHICLES

Using private cars is allowed where no public transport is available. If you are kind enough to volunteer your services to transport extra students this year we will ask you for a copy of your current drivers' licence and current registration of your vehicle.

TERM 3 PRIMARY EXCURSION

The primary class excursion to Brisbane and the Sunshine Coast is still in the planning stages with quotes for buses, accommodation and attractions still coming in.

It looks like it will be the last week of term 3, with both classes going to Brisbane on the Monday and K-2 kids coming home by car that afternoon. The primary kids will stay 2 nights in Brisbane then 2 nights near the Sunshine Coast.

Approx cost is looking to be around \$350 per person after a \$100 per student school subsidy is applied. The P&C will also look at reducing this cost with a fundraiser. More details coming.

Families are strongly encouraged to begin saving or even making fortnightly payments to avoid the big cost in term 3.

SCHOOL PLAN FALLING INTO PLACE

Thanks to the input from parents and staff, our 2015-2017 school plan is taking shape. Our 3 strategic directions for improvement will be: **Excellence in Literacy and Numeracy; High Quality Student Wellbeing Systems; and Dynamic Learning Community (COLOURSS)**. The Student Parliament will add some opinions before the plan is refined and published by the beginning of term 2.

SURVEYS

Thank you to the families who have returned those important surveys so far. We ask that you take the time to respond as the collective thoughts of the group (parents, staff & students) will be considered when writing the new school plan and the school report for 2014.
