### SWIMMING LESSONS FINISHED

A big thank you to all the parents who helped out for our term 1 swimming program. It makes a crucial difference to have lots of helpers to make the groups small and productive. The improvements in swimming strokes and confidence was just fantastic!

### COMMUNITY ASSEMBLY

Last Wednesday saw a very exciting afternoon of entertainment and togetherness!

We saw puppet shows, singers, dancers, card tricksters and a real highlight was our drummer, Xavier! It was a big effort to get all the gear in to school and Xavier gave us a great demo of his skills!

### FROM THE LIBRARY PREMIERS READING CHALLENGE 2015

Thanks to all students (and parents who have been helping) who have been borrowing and returning library books this year and for remembering to bring a library bag. Well done everyone.

Our PRC challenge is on again for 2015. K-2 students need to read or have read to them 30 books in total, 25 of which must be on the PRC reading list. Year 3/4/5/6 students need to read 20 books, 15 of which must be on the reading list and 5 can be own choice. This is a great opportunity to support your children's reading.

We will be helping students at school to complete the challenge but please encourage your children to borrow PRC books from the library and support them reading their chosen books at home. Students can log books on at home through their DEC portal. They will also be keeping a written record in their library work book. Happy Reading.

### STUDENT HEALTH CARE PLANS

Students who take medication (eg Ventolin, a daily tablet) regularly at school must have a documented health care plan with medical information provided by parents and/or doctors. We are sending home notes to review all plans of those students we have information for. Please complete these notes when they come and send back to school so we can publish the health plans for all students who need to have one. If your child has a puffer or other medication they take at school and you aren't sure if we have a health plan, please contact Mr Mac.

### YEAR 6 CAMP AT RUKENVALE

**26/27 MARCH**

Our Year 6 students will join the other COLOURSS Year 6 students at Rukenvale on March 26/27 for the annual Year 6 camp. This camp is an important beginning for the transition to high school next year. Kyogle HS staff and students visit to discuss the excitement of moving to high school while COLOURSS teachers will lead students through some interesting team-building and leadership activities.

Please complete the attached permission note and return with the fee of \$35.

### PRIMARY EXCURSION: EXPRESSION OF INTEREST TO ATTEND

We are hoping to confirm numbers for the excursion as early as possible to provide a cost. We need your confirmation that your child is attending and any parents who are interested in coming along.

Please return the "intention to attend" note sent home last week.
