Term 1 Week 8

DISTRICT CROSS COUNTRY COMING UP

The annual District Cross Country run will be held here at The Risk PS on the first Friday back from the Easter holidays (Friday 24 April). Thank you to those people who have already filled in the volunteer sheet. Just remember, the P&C run the BEST canteen on the day. So, donations of cakes, slices etc for morning tea will be called for and volunteers to cook the BBQ and serve on the day will be needed.

SCHOOL CHOIR

The Risk will start up a K-6 choir this week thanks to the support of Cherie Rixon who has offered to lead the group.

Students are able to volunteer their voices to learn the skills of a good choir and learn some cool songs along the way!

We are hoping to learn songs that can be performed later on in the year.

THE SCHOOL GARDENS

We would like to tidy up and revitalise our school gardens. If anyone is cleaning out their gardens or have cuttings they can pot up and send into school it would be greatly appreciated. Low maintenance plants and snake friendly (not big bushes) is preferable to get ready for a great show this spring.

Next week, students will be asked to start making their own model of a rainforest profile in a cardboard box. They will work in a small group here at school to decorate their 'environment'. Students may bring in any decorations from home that they might have.

We are also proposing a trip to Sheep Station Creek early next term to observe a rainforest for ourselves.

In the school garden

Last Friday we planted seedlings in the school garden. We got some ash and mulch from the back of the school. We planted Snapdragons, Gazania's, Dianthus and Primula Lollipops. It was better then doing maths.
