Term 1 Week 9

COLOURSS SCHOOLS STAYING CONNECTED

Our group of small schools do an outstanding job of connecting students with each other on a regular basis. This builds working relationships for later in life such as high school. Last Friday (and this Friday), students and staff from Rukenvale visited for a morning of sport and class work. The primary soccer games were lots of fun and the Maths games were also enjoyed by all whilst the Infant students enjoyed tabloid sports and a literacy session with Mrs Petherbridge.

CLOCKWISE FROM LEFT: Riley and Marley enjoy a game of 'first to 50' using dice and adding skills.

Tom shows off his kicking skills in the soccer drills session.

Eli and Jack are deep in concentration in their 'Clear the Board' maths game.

LUNCH THIS FRIDAY

The P&C will prepare and sell lunches this Friday.

Chicken Salad Wraps - \$2 per person

SHARED READING & ART TIME

When the opportunity arises, we like to get students from both classes to do some work together. A great example is the K-6 art afternoons. We have also combined to do some shared reading which helps both the younger and older readers in our school.

Anika works on her Miro art work in preparation for the Art Gallery exhibition in August.

Isabella and Kaleb share a good book.

CLEVER KIDS

Each Friday Mr Mac hands out awards for good workers. Students can choose their own reward. One of the rewards is to run an activity for the class. Last week Maggie organised a craft activity for the primary class.

Everyone really enjoyed the activity and their eggs were given a great look and even a personality!

SCHOOL CHOIR

The first session of the K-6 choir was a very educational experience for all!

All students will be involved in the choir as part of our compulsory music program during class time at 2.40pm every Tuesday.

The choir sessions are about singing and music appreciation so students are reaping the benefit of Cherie's expertise!

DISTRICT CROSS COUNTRY

FRIDAY 24 APRIL @TRPS

Don't forget to mark the date on your calendar.

The P&C would like lots of cakes, slices, wraps, etc for morning tea and plenty of helpers to cook the BBQ and serve in the canteen on the day.

ABSENCE NOTES

Parents are reminded to send in a written note to explain any student absence the next day of attendance.

A phone call to the school can also count as a note, as we record the reason and put it in the attendance roll.
