### FANTASTIC DAY AT DISTRICT CROSS COUNTRY

Last Friday was yet again a fantastic success at The Risk as we hosted the annual District Cross Country Trials. The coordination of the event was as smooth as silk with a great team effort from staff, parents and community members to make the day a huge success. Our students once again were a credit to themselves, their families and their school.

Congratulations to all students who participated - you all seemed to be having fun! Well done to our 7 successful runners who now have the chance to go to the Zone trials at Corndale on May 22. Special thanks to our neighbours David and Beverly Grieve who once again allowed us to use their property for the main part of the track. Their support is much appreciated.

The P & C are asking parents to make donations for little game prizes that will be run at the Market Day.

Please send into school

### ANZAC DAY MARCH

On Saturday, a good turn out of students and parents supported our school at the Kyogle ANZAC march. Our students marched with pride alongside our COLOURSS friends from the other small schools. Several of our students performed a great honour during the ceremony after the march to read out one of the local district's fallen soldiers.

Thank you to all students, parents and staff who supported this great tradition.

### BUS TIMES

Both school buses have changed arrival times in the morning. The Gradys Creek bus arrives around 8.15 and the Summerland Way bus arrives around 8.30am.

This means there may be NO STAFF AT SCHOOL UNTIL 8.15am. Please ensure if you drop your children off before 8.40am that there is a teacher on duty.

There has been no change to afternoon times.
