Each year students in NSW public schools participate in a reading challenge to boost the number of books read each year. #### OUR FUNDRAISING MARATHON MUM

On the 16th May I am running one of Australia's best known ultramarathons, the North Face 50km through the iconic Blue Mountains. Whilst taking part in this gruelling event I am hoping to raise \$1000 for Batten Disease Research and Support. As many of you know my niece passed away 2.5yrs ago after a long fight with Batten Disease. If you would like to donate, even 50c helps, you can do so here: <https://give.everydayhero.com/au/runjojo> or you can give your donation to me personally to donate on your behalf. A big thankyou to those who have already sponsored me. I really appreciate your support. **Jo Bailey.**
