ATTENDANCE DATA FOR SEMESTER 1

Our school is continuing to be above state average with attendance this year. Our semester 1 attendance rate was 95.6% which is 0.8% better than the rest of NSW. This is a great effort by students and families to regularly attend school. Last year our record for the full year was slightly better at 96.6%, so lets see if we can catch up to our 2014 levels by the end of the year!
