### COMMUNITY MEETING TOMORROW

**TUESDAY 8 MARCH - 3.30PM IN SCHOOL LIBRARY**

All families are invited to come along to the community consultation meeting tomorrow to review the progress on last year's targets for the school plan and look at any modifications. We hope the meeting will go for about an hour. You can choose to keep your children here at school where they will be supervised and afternoon tea will be provided.

### WEEKLY SWIMMING GIVES STUDENTS CONFIDENCE

A huge thank you to the staff and parent volunteers who contribute to making weekly swimming such a success. The students participated strongly again this year and progress was made to help strengthen the students awareness of water safety and become stronger swimmers overall. This is a fantastic program for rural students and a great skill for life.
