

MONDAY SWIMMING

This program will continue for another four weeks. The children are making good progress in all groups because of the continued access to the pool and the guided instruction during the lesson.

SCHOOL SOCCER

Soccer continues to be the sport of choice at school, despite the heat. The nets have been put back on the posts and thanks to Jess Cook, the students have new colourful soccer balls to kick around.

MOBILE LIBRARY

The mobile library continues to visit The Risk once a fortnight. It comes on every odd Friday, the next visit will be in week 5, 7, 9 and 11. Children can borrow books, magazines, DVD's and stories on CD.

HIP HOP BOLLYWOOD

We will be joining with COLOURSS schools to participate in a dance workshop at Wiangaree Hall. The cost will be \$5 per student. Transport will be by private car. Please complete and return the attached permission note.

LAKE AINSWORTH

Just a reminder to complete the online Medical and Consent form for the Lake Ainsworth excursion. This is due by 26th Feb. Payments can be made towards the cost of the excursion on a weekly basis if required.

SECOND HAND BOOKS

Anyone with second hand books they would like to donate, please drop at Wiangaree store.
All proceeds go to local organisations

MEET THE STUDENTS

My name is Xavier Cook. I am the Deputy Prime Minister of The Risk Public School Student Parliament for 2018, which is a great roll for me as I love working with all the students at The Risk. I have one dear younger sister, Zanthé and a cheeky younger brother, Vito.
My favourite hobbies include sport, drama, music, public speaking and art.
However, I really love soccer and when I grow up I want to be a famous soccer player, a musician, an actor and an artist. I have a busy schedule ahead of me, but I'll manage (somehow). The Risk has uncovered most of my favourite hobbies and every teacher has introduced me to a certain one because of their own personalities. That's why I think The Risk is the best school with the best teachers, staff and students in the whole of Australia. I will have had my whole primary school time here! Keep up the great work everyone!!

Term 1 Week 4

P & C WELCOME BBQ

This Friday the annual P & C BBQ will be held at The Risk Public School. Every year we welcome new families to The Risk and enjoy an evening of fun. Families are asked to bring a plate of nibbles to share and the P & C will provide sausage sandwiches and drinks. The evening will start at 5.30pm, please fill in the attached note and send back to school for catering purposes. I look forward to seeing you all here.

FRIDAY INTEREST GROUPS

Students will work with a teacher every Friday afternoon on a particular interest. Our first week was very calm. Students enjoyed being in a project of their choice. The gardening group replanted one of the flower gardens with Begonias, Salvia, Marigold and petunias. The afternoon was extremely hot but cold water bottles kept everyone on task. The music group chose songs to practise and perform. They also discussed roles for each member. The cooking group worked in a hot summer kitchen to cook delicious choc chip cookies. The video group started to sew the characters who will be part of their video play.
