PBL FOCUS

At The Risk we are continuing to introduce the Positive Behaviour for Learning approach for the students to adopt as a framework for all their decision making and behaviour. The focus for this week is walkways and Verandas. Assembly discussions have reinforced the need for students to walk on hard surfaces and keep hands and feet to themselves while respecting other students.

CREATIVE ARTS PROGRAM

The water tank at the back of the Primary room is soon to have a make over. David Hausen has high pressure cleaned the tank and will undercoat it - weather permitting in the next week. The students will work with Rebecca O'Meara to design and paint a mural. Students from K - 6 will all need an old shirt to wear when painting. Please start to send these in.

KEEP

The Keep program is organised by Kyogle High School and is offered to Year 6 students who are motivated, independent workers. The acronym stands for Kyogle Early Enrichment Program. Some of our Year 6 students are attending Kyogle High School today to begin their transition journey. I hope they have a productive and enjoyable day.

ZONE CARNIVAL

Congratulations to Che', Xavier, Marley and Eli on their sportsmanship and behaviour at the Zone Swimming Carnival last Wednesday. They swam as a team and earned a P.B. in the P5 relay. Well Done Boys !!! Marley then won his heat in the 12yrs freestyle and placed 16th overall in a field of 36 competitors. Che' competed in the 10yrs freestyle and Butterfly. Che' came 6th overall in Butterfly earning his place against some tough competition.

P & C NEWS - EASTER RAFFLE

The P & C will run their annual Easter Raffle again this term and are asking for donations. Ticket books will be sent home. The raffle will be drawn on Thursday 29th March, just prior to the Easter break.

CRUNCH AND SIP

I am humbled with the generosity of our families who continue to support this program. On Monday mornings the staff room resembles the Fruit and Vege section at the local supermarket. Watermelon, Rockmelons, Pineapples and bags of fruit and vegies appear on the table. These are stored in the fridge and cut up fresh each afternoon for the students to enjoy before the after school routine begins. A huge thank you to Kim Shearer for taking on the role of slicing and dicing.

I will end with a quote discovered by Felicity, Rachael and Bella when researching "feet"

"You have brains in your head,
You have feet in your shoes,

You can steer yourself in any direction you choose!"

Dr Seuss.

Term 1 Week 6

WELCOME BBQ FUN !

The rain stayed away long enough for our families to arrive and have a great evening. The school grounds were alive with Soccer being the game of choice bringing parents, high school siblings and the students together for some friendly competition. Parents and staff chatted together and enjoyed a table full of delicious nibblies before the sausage sizzle dinner supplied by the P & C. A big thank you to Geoff Dalgarins for his fabulous BBQ cooking and to Jane Duley for doing all the shopping.

Everyone socialising and enjoying a the BBQ
