

## HIP HOP BOLLYWOOD

The "Bollywood" dance workshop was a lot of fun. The students had to really concentrate to follow the teacher's instructions. The dressing up added to the cultural experience. The workshop involved Brazilian dancing which was beautiful, hip hop which was energetic, Bollywood dancing and moves from Indian dancing. I think the photo's tell the story -

Term 1 Week 9

### ACTION AT LAKE AINSWORTH CAMP

The years 5 and 6 students attended Lake Ainsworth Sport and Recreation Camp last week. Old Bonalbo, Urbenville, Collins Creek, Rukenvale, Wiangaree and Afterlee students came together for a week of activities and friendship. Our students were outstanding in behaviour, sportsmanship and their ability to work effectively in groups. The camp leaders had nothing but praise for the

"Ockies" (Our group name short for Octopuses) as they moved around the camp enjoying every activity. The closure of the Lake did not effect our program and we still managed to Kayak and sail at the end of the week. Other activities included archery, snorkelling, orienteering, damper making, rope climbing and building sandcastles large enough to withstand the tide. The only activity affected by rain was bike riding. As parents, you should be very proud of the way the students behaved at the camp. It was a fantastic week.
