Term 1 Week 10

SCHOOL SOCIAL

The COLOURSS Term 1 social is this Thursday 5th April at Wiangaree Hall. The theme is "Colourful Hats". We will practise the dances this week so that the children are prepared. Students are not to be left at the hall without parent supervision. Teachers are busy organising the social and rely on parents to know where their children are.

The social will start at 5.30pm with dinner being offered and dancing from 6.00pm - 8.00pm

ANZAC MARCH APRIL 25

As is our tradition, The Risk PS, along with other COLOURSS schools will march at the Kyogle ANZAC Day parade. We encourage as many students and families as possible to support this very important day on the school calendar. Mrs Petherbridge will be in attendance to help assemble and supervise students. Students are to wear FULL school uniform. School hats/sunscreen will be supplied.

10.00am - Meet at the swimming pool to assemble

10.30am - March starts and moves through the main street and then back to Kyogle Memorial Institute for the Memorial service where parents can stay or pick their children up.

CROSS COUNTRY

The District Cross Country will be held on Friday 4th May in Term 2 at The Risk Public School. Students are encouraged to do some training at home over the holidays to maintain and increase their fitness levels. Our P & C cater for this event every year. We will need donations of cakes and slices and plenty of helpers to share the load for a successful day. Please complete the attached job roster and return to school if you have not done so already.

EASTER CELEBRATIONS

The Easter weekend began with drizzle, but thankfully the sun did shine. Campers were able to enjoy the holiday and families could gather outdoors. Gardeners could mow and we all had a break from the relentless showers. At school we celebrated Easter with all the students involved in a colouring in competition. Thank you to Kay Berthier, Jill Wilson and Tara Gibbs for judging the winners, which was not an easy task.

Colouring competition winners - Tom, Rachael,
Grace, Marley and Lucas.

The Easter raffle was supported by all our families. Many students took home prizes for the weekend. Before we started the Easter hunt the students had a sweet treat from Suzanne and Geoff Ramaker. Jake shared cupcakes with everyone. Thank you for this kind gesture. The traditional Easter hunt had to be relocated indoors and the primary classroom provided an intriguing hiding place. All students enjoyed this activity. The chocolate feast is over for another year and hopefully all our sugar levels will return to normal. I hope you and your families had a beautiful Easter and a relaxing weekend.
