Term 2 Week 1

ART EXHIBITION

The COLOURSS art exhibition will open at the Roxy Art Gallery on Wednesday 10th May. Please find an invitation attached. Families are asked to bring a plate to help with catering. We are all excited to see our students art works on display. Special thank you to Abby Sawford for framing all the work over the school holidays. Please join us at the opening if you can.

GRIP LEADERSHIP

I am taking the year 6 students to the GRIP Leadership conference next Thursday 10th May. Grip stands for Generosity, Responsibility, Integrity and People. This conference is at Lismore City Hall. I can take 4 students in my car but need another parent helper with 2 extra seats. The conference begins at 8.45am and will finish at 2.30pm. Students will need to bring their recess and lunch. We will leave school at 8.00am. Please contact me at school if you can help with transport. A permission note is attached.

78TH STORY TREEHOUSE

Save the date - **Thursday 21st June**
Years 3 - 6 are going to Lismore to see this NORPA production. More information in next weeks newsletter.

FRIDAY LUNCHES Cross Country Canteen

CRUNCH AND SIP

Crunch and sip is a healthy way for the children to finish their day. We will reintroduce this program but we do rely on the generosity of families to send in healthy contributions. All types of fruit are enjoyed and carrots have proven to be a popular vegetable.

CROSS COUNTRY - THIS FRIDAY

The District Cross Country is here. The Risk School hosts this event every year and we rely on a strong parent commitment to enable this event to happen. If you are available on the day can you please fill in the job roster and return it to school this week. Our P & C has built a strong reputation on its catering abilities. We will once again be relying on your generosity to support the canteen with cakes, biscuits etc.

BREAKFAST CLUB

Breakfast club continues to be popular with some of our students so we will continue to offer toast and milo this term. The cost is 50c a day or \$2 for the week.

PAMPHLET ATTACHMENT

This week's pamphlet was written and designed by Charlie Brosnan. He focuses on the damage humans are doing to the whale population. It is certainly a good read.

P & C NEWS

The P & C meeting will be on Monday 7th May at 4.30pm. Please add the Street stall date to your calendars - Friday 25th May.

ACHIEVEMENT

This term, let's encourage our students to move outside their comfort zone to see what success they can achieve. Be inspired by the physicist Albert Einstein -

"A person who never made a mistake,
never tried anything new."

Looking forward to achieving together,

Louise Petherbridge
R/Principal

Welcome back. I hope everyone had a relaxing and enjoyable holiday and are now braced for Term 2. It is already promising to be an exciting and challenging term.

Term 1 finished on a positive note with our impressive school assembly. Congratulations to all our students for their respectful behaviour. A special mention to Felicity Duley and Xavier Cook for leading the assembly with confidence. The student performances were outstanding. Thank you to all family members who came to enjoy the afternoon.

ANZAC DAY - In the COLOURSS tradition, The Risk students attended the Kyogle Anzac Day March and joined with the wider community to remember this time in our history. Thank you to the families who could support the march, especially in the school holidays.
