

NAPLAN

Students from Years 3 and 5 completed four NAPLAN tests last week over 3 days. They all tried their best and were relieved to be finished. I was very proud of the way they conducted themselves during the exams.

KEEP

Year 6 will be at Kyogle High School on Tuesday for a KEEP day. They will travel to the High School on Watson's Bus. A permission note is attached to this newsletter. Please return tomorrow.

SCHOOL JACKETS

As the weather turns cooler the students need to wear warmer layers to school. The mornings are always very cold at The Risk. Please label all jumpers so we can return them when they are left in the playground. Our school uniform policy for winter is a school uniform jacket or a navy blue jumper. Hoodies are acceptable. I understand that on occasions students do not always have access to a blue jumper and I would much prefer they be warm in a different coloured jumper than no jumper at all. However, if you plan to purchase winter clothes please be aware that navy blue is the school uniform colour.

PAMPHLET ATTACHMENT

This week's pamphlet was written and designed by Sam Rixon. He focuses on the effects of oil spills in the ocean. It is certainly a good read.

ATHELTICS TRAINING

We have started to train for the Athletics Carnival which is at the end of term. The equipment comes out Monday and Thursday afternoons. The long jump pit has been dug over and thanks to the cover stays very clean.

CROSS COUNTRY

All competitors in the Cross Country need to have their notes in by Friday May 25th please.
