

TTFM PARENT SURVEY

Please take the opportunity to have your say! - This Term, our school will be participating in the Partners in Learning parent survey, another part of the Tell Them From Me suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement. Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online on smartphones, iPads, tablets, laptops or computers. The survey will typically take 15 minutes or less to complete and is completely confidential. Although participating in the survey is entirely voluntary, your responses are very much appreciated.

If you would like to come into school to complete the survey on our computers, please chat to Mrs Blackburn to make a time.

More information about the survey is available at: <http://surveys.cese.nsw.gov.au>. To access the survey for our school go to: <http://nsw.tellthemfromme.com/theriskps2019>

The survey closes on Friday 25 October.

CRICKET GALA DAY

On the last day of term 3, years 3-6 went to a cricket gala day. First, we hopped in a car and drove to town to play some fantastic games of cricket against other schools. We were put into groups, there were about eight groups. Our first game was against Rukenvale PS. I hit the ball a long way, and we won the game. It was a hot day. We were playing cricket, eating, dancing to the music and having fun. It was a great last day of the term.
