WORKING BEE MARCH 30th

Thank you to the families who have already committed to the working bee on the 30th March. Some of the jobs include -

- Pruning dead plants, which are abundant (from the drought)
- Spreading the rest of the bark chips
- Digging the holes for the PBL poles into the front garden and concreting them in

We will need a post hole digger and a couple of willing dads to complete this job.

If you have not already committed to the working bee please consider.

Term 1 Week 7

BE SAFE, BE RESPECTFUL, BE A LEARNER

THE STUDENT PARLIAMENT AT THE RISK

Last Friday I presented the Student Parliament with their badges. The Ministers and Committee members were encouraged to wear their badges with pride and look after them. Student Parliament meetings are every second Tuesday and it is expected that students will wear their badges for these meetings.

The Student Parliament has made some significant decisions this term which have been supported by the staff. Funds have been used to purchase two more Ipads for the school which now gives us six Ipads for classroom use. Ice-Blocks sold on Tuesdays support The Student Parliament Funds. The students asked to run a Swim-a-thon in place of their Walk-a-thon. This will be held Monday 25th March which is our final day of swimming for this Term. The independent swimmers will complete 50m laps of the big pool, intermediate swimmers will use a kickboard to kick to the first set of stairs in the big pool and non swimmers will walk from the shallow end to the deeper end in the middle-size pool. Students will be seeking sponsorship from family and friends. Parents are welcome to set a fixed amount rather than a per lap sponsorship as some students will swim lots of laps in the half hour time frame. The students are to be congratulated on this innovative fundraising idea. WELL DONE !!

3D Art Master
pieces -

The students had to mould and shape the Scorpions with newspaper before painting them to give them a real life appearance. Thank you Miss Sawford for guiding their creativity.

Art Shirts - Could parents please assist students to bring in an art shirt or old large shirt which can easily be pulled on and off. Please make sure your child's name is clearly marked on the collar. We will be using these whenever we are painting to prevent paint from getting on school clothes. No shirt - no paint! ***This is to help prevent any stains on their school shirts.*** Thank you for your assistance.

Error in Library days last week - Apologies for the error last week in library days... Tuesday for Primary and Wednesday for Infants this term. Thank you Lincoln for noticing!

NEW SPORT SHIRT OPTIONS

The P & C are looking at purchasing a Sports Shirt for students to wear on Sports Day. The material is a light weight open weave which is cooler and lighter than the current shirts. Jess French has designed two for parents to vote on. Both shirts have The Risk Public School written on their collar. Please include your preference and return to school. The purchasing of the
