Term 2 Week 8

BE SAFE, BE RESPECTFUL, BE A LEARNER

THE RISK HOST AN NRL CLINIC

During term two we have been hosting an NRL Clinic on Monday's with Rukenvale Public School joining us during these sessions. This has been run by Kel Menchin an NRL Game Development Officer. We have been able to provide this opportunity by successfully gaining the Sporting Schools Grant which allows us to provide professional coaching and equipment to support the sport chosen to participate in. The students are enthusiastic and enjoy learning the game and techniques shown to them by Kel. After Monday's session, cyber-safety was addressed with Years 2 - 6. It focused on information that is safe and not safe to post when playing online games and why safety is important when interacting on social media. A very big thank you to Kel and his off sider Josh who has been doing work experience in the Game Development side of NRL, it has been another fantastic learning experience for the students here at The Risk and we look forward to our last session next week.

The next P&C meeting will be held on Monday 1st July at 4:15pm
