

The school is busy preparing our African performance for next week's COLOURSS Cultural Day at the Uniting Church, Kyogle on Friday 23rd August starting at 10am. Students are to wear their school uniform and change into their costume at the hall. If you did not order a meal deal children will need to bring a packed lunch. There will be ball games and a tug of war after the performances. We are excited to showcase the talent at The Risk. Thank you to Catrina Dyer and Janice Bates for assisting with the performance. Please return the permission note ASAP.

The Northern Rivers Conservatorium is excited to be participating with The Risk School to offer tuition on a variety of instruments.

A close-up, shallow depth-of-field photograph of two young women playing violins. The woman in the foreground is in sharp focus, her face partially visible as she looks down at her instrument. The woman in the background is blurred, also playing a violin. The lighting is soft and warm, creating a focused and artistic atmosphere.

Term 3 Week 4

BE SAFE, BE RESPECTFUL, BE A LEARNER

Students in years 3-6 had a fantastic week in Queensland participating in many learning experiences. The week began with team building activities, including a flying fox at Kindilan Education Centre in Redland Bay. Students loved whale watching, our visit the Planetarium, Science Centre, Museum, the performance of Storm Boy at QPac.

Australia Zoo and Sea-Life visits. It was a very busy and fun week away. I would like to thank Jane Duley for her assistance during the excursion. Jane helped to navigate, cook, wash up and supporting our students. Thank you to the P&C for subsidising the excursion

to make it affordable for everyone. Both Mrs Sawford and I were very proud of student behaviour and cooperation, we have a wonderful group of children! Students have chosen four words each to represent their time away in a word cloud.
