

## INTERRELATE

On Wednesday 16 October, year 5 and 6 students from the COLOURSS schools will attend Interrelate at Wiangaree Public School. Interrelate is a fun and informative program that explores the value of good communication within families and relationships, as a way of better understanding each other and reducing conflict. It provides students with a basic knowledge of male and female development at puberty, with an emphasis on developing a positive attitude to change. The program aligns with the NSW PDHPE (Personal Development, Health and Physical Education) syllabus, personal development outcomes. The day begins at 9am and finishes at 3pm. Students must wear school uniform and bring their lunch, recess, drink bottle, and hat. There is no cost for the program. Please complete the permission form and return to school as soon as possible.

Don't forget, daylight savings begins Sunday 6 October at 2am.
