

BE SAFE, BE RESPECTFUL, BE A LEARNER

CHRISTMAS TREE NIGHT

Thank you to everyone for attending our annual Christmas Tree night. It was wonderful to reminisce on the year and celebrate student success and achievement. Thank you to the P&C for their hard work and dedication in 2019. \$846 was raised on the night and the P&C are donating these funds to the Grevillia RFS.

Thank you to our community for your generous donations.

VISIT TO THE AGED CARE FACILITY

The residents at the Kyogle Aged Care Unit were delighted when we visited today. The students sang Christmas songs, shared presents and sat and chatted. It is a wonderful experience for students to be involved in sharing and giving at this time of the year, with the aged care residents.

Thank you to Watson's bus company for donating their time to take us in and return us to The Risk.

RAPPVILLE VISIT

On Wednesday, year 6 students and our 2020 Prime Minister and Deputy visited Rappville Public School. We were all shocked to see the blackened trees where the fire had been, starting at the highway and continuing into the township of Rappville. It brought the reality of the fires to light. Students presented the Rappville students with a card and voucher donated by the Student Parliament. The voucher will be used early next year to replace trees lost by fire.

INFANTS & PRIMARY CLASS END OF YEAR CLASS PARTY

Infants & the Primary classes respectively are having a Christmas Party / Teddy Bears Picnic on Wednesday 18th December 2019. This day will be a mufti day, and we ask all students to bring a plate to share. We would also like to invite the Kinders of 2020 to share in this day. We had planned the picnic earlier in the term but was interrupted due to the fires.
