## PBL

The COLOURSS social is a great tradition in our small schools network. It is a time to have fun, dance and meet up with friends from other schools. To keep children safe, one expectation on the night is that students stay inside the hall for the duration of the social, even when their parents are outside. Please take time to chat with your child about how to be a safe, respectful learner at the social.

## SCHOOL BANKING

The school banking program is available to all Students. If you are interested in using this facility please contact the school for an information pack.
